**Prize of the Centre d'études Princesse Joséphine-Charlotte
for scientific research against viral infections 2017**

REGULATIONS

- Art. 1. The **Biennial Prize of the Centre d'études Princesse Joséphine-Charlotte** amounts to **12.500 EUR** and aims at encouraging scientific research in the field of **virology**.
- Art. 2. This Prize rewards a scientific research achievement in the field of viral infections, in connection with health. It is intended for promising researchers attached, at the time of the submission deadline, to :
 - a University from the Wallonia-Brussels Federation,
 - a University from the Flemish Community.
- Art. 3. The Prize can reward a scientific research performed by a team; it may exceptionally be shared. The scientific research may not have been rewarded previously.
- Art. 4. Applications, **written in English**, have to be submitted by e-mail for **March 1, 2017** at the latest, to the address prix@frs-fnrs.be. The following documents are requested :
 - the application form,
 - a detailed curriculum vitae,
 - a list of publications.
- Art. 5. Any question concerning the applications and the awarding of the Prize will be settled in a final and binding manner by the F.R.S.-FNRS / FWO.
- Art. 6. The Prize will be awarded on basis of the recommendations of a Jury of experts appointed by the F.R.S.-FNRS and the FWO.
- Art. 7. 2 members of the **Centre d'études Princesse Joséphine-Charlotte** or 2 people appointed by the Centre will participate to the Jury meeting.
- Art. 8. If no suitable laureate can be identified, the F.R.S.-FNRS and the FWO can decide not to award the Prize.
- Art. 9. Deliberations of the Jury are strictly confidential and, except for the Laureate who will be invited to present the Prize-winning work, application contents will not be disclosed.

November 2016.
